

Base 10 Blocks **draw it!*

$\square = 100$
 $| = 10$
 $\cdot = 1$

Number of the Day

**use 100 chart*

Place Value

Hundreds (100)	Tens (10)	Ones (1)

Addition:

$$\square + \square = \square$$

Expanded Form:

Hundreds \square + Tens \square + Ones \square = Today's Number \square

Subtraction:

use the number of the day in one square

$$\square - \square = \square$$
